

Financial Tear Sheet

Corporate Profile

Xtera Communications, Inc. is a leading provider of high-capacity, cost-effective optical transport solutions, supporting the high growth in global demand for bandwidth. Xtera sells its high-capacity optical transport solutions to telecommunications service providers, content service providers, enterprises and government entities worldwide to support their deployments of long-haul terrestrial and submarine optical cable networks. Xtera has operations in the United States and the United Kingdom, with an engineering team that includes industry-recognized experts, and has deployed its solutions for more than 10 years in 60 countries around the world.
